HELMBOLD'S PREPARATIONS.

H. T. HELMBOLD'S

Concentrated Fluid Extract Buchu.

THE GREAT DIURETIC.

The proprietor trusts that his remedies, from the fact of their being advertised, may not be classed as patent medicines.

See medical properties contained in Dispensary of the United States, of which the following is a correct copy:—

HELMBOLD'S FLUID EXTRACT BUCHU

Is a pharmaceutical preparation. The proper name is given, and it is the most active which can be made. It is intended as a cure by all medical works for such diseases as recommended by the proprietor.

It is pleasant in its taste and odor, free from all injurious properties, and is taken by adults and children. It is tonic, diuretic, blood purifying and invigorating. Enfeebled and delicate constitutions of both sexes will find it far more strengthening than any of the preparations of bark or iron.

See medical properties contained in Dispensary of the United States, of which the following is a correct copy:—

BUCHU.—Its odor is strong, diffusible, and somewhat aromatic, its taste is bitterish, and analogous to that of mint. It is given chiefly in complaints of the urinary organs, such as gravel, chronic catarrh of the bladder and urethra, diseases of the prostate gland, and retention of the incontinence of urine, from a low tone in the parts concerned in its excretion. It has also been recommended in dyspepsia, chronic rheumatism, cutaneous affections, and dropsy.

DR. KEYSER

is a physician of over thirty years' experience, and a graduate of the Jefferson Medical College, and of the University of Medicine and Surgery, of Philadelphia.

Mr. H. T. Helmbold.—DEAR SIR:—In regard to the question asked me as to my opinion about Buchu, I would say that I have used and sold the article in various forms for the past thirty years...

I have seen and used, as before stated, every form of Buchu—the powdered leaves, tincture, fluid extract—and I am not cognizant of any preparation of that plant at all equal to yours. Twelve years' experience ought, I think, to give me the right to judge of its merits with respect to its purity or partiality...

I value your Buchu for its effects on patients. I have cured with it, and seen cured with it, more diseases of the bladder and kidneys than I have ever seen cured with any other Buchu or any other proprietary compound of whatever name.

Respectfully yours, GEO. H. KEYSER, M. D., No. 140 Wood street, Pittsburg, Penn. Aug. 11, 1868.

A CASE OF TWENTY YEARS' STANDING. PHILADELPHIA, Pa., June 25, 1867.

H. T. Helmbold, Druggist.—DEAR SIR:—I have been a sufferer for upwards of twenty years with gravel, bladder, and kidney affections, during which time I have used various medical preparations...

I did this because I had used all kinds of advertised remedies and had found them worthless, and some quite injurious. In fact, I despaired of ever getting well, and determined to use no more hereafter unless I knew of the ingredients. It was this that prompted me to use your remedy...

I have not used any more of your medicine, and feel as well in all respects as I ever did. Your Buchu being devoid of any unpleasant taste and odor, a tonic and invigorator of the system, I do not mean to be without it whenever occasion may require its use in such affections.

Yours truly, M. MCCORMICK.

Should any one doubt Mr. McCormick's statement, he refers to the following gentlemen:—Hon. WM. BIGLER, ex-Governor of Pennsylvania. Hon. THOMAS B. FLORENCE, Philadelphia. Hon. J. C. KNOX, Judge, Philadelphia. Hon. J. S. BLACK, Judge, Philadelphia. Hon. D. R. PORTER, ex-Governor of Pennsylvania. Hon. ELLIS LEWIS, Judge, Philadelphia. Hon. R. C. ORLER, Judge United States Court. Hon. G. W. WOODWARD, Judge, Philadelphia. Hon. W. A. PORTER, City Solicitor, Philadelphia. Hon. JOHN BIGLER, ex-Governor of California. Hon. E. BANKS, Auditor-General, Washington, D. C. And many others, if necessary.

ONE HUNDRED DOLLARS WOULD BE GIVEN FOR A BOTTLE, IF NECESSARY. RAHWAY, N. J., Dec. 2, 1869.

H. T. Helmbold, Esq.—I take great pleasure in sending you a certificate, in addition to the many you have received from suffering humanity. I can scarcely find language sufficiently strong to express my heartfelt gratitude...
